1 STATEMENT OF ACCOUNTING POLICIES

These Financial Statements are presented in accordance with Generally Accepted Accounting Practice.

A GENERAL ACCOUNTING POLICIES

The general accounting policies recognised as appropriate for the measurement and reporting of results, and financial position, under the historical cost method have been followed in the preparation of these financial statements.

The Trust promotes the charitable purpose of cancer research and provides assistance to cancer health care providers.

B PARTICULAR ACCOUNTING POLICIES

The following particular accounting policies, which significantly affect the measurement of residual income and financial position, have been applied.

Differential Reporting

The Trust qualifies for differential reporting because it is not large and is not publicly accountable.

The Trust has taken advantage of all differential reporting exemptions with the exception of FRS 19 Accounting for GST.

These financial statements are not prepared under NZ equivalents to International Financial Reporting Standards (NZ IFRS) as the NZ Accounting Standards Board gave a temporary exemption from mandatory conversion for small organisations which fit the criteria for differential reporting.

Income Tax

The Trust has charitable status under the Income Tax Act and is exempt from income tax.

Accounts Receivable

Accounts receivable are stated at estimated realisable value. Amounts not considered recoverable are written off when identified as such.

For the Year Ended 30 June 2013

Investments

The Trust's investment funds have been placed in Westpac's PremiumPlus Service Portfolio in the form of investment bonds and investment shares.

Investment bonds are recorded at cost. Any premium or discount to maturity value is recognised as an interest expense/income over the remaining period to maturity.

Investment income is accounted for on an accrual basis.

Investment shares are initially recorded at cost and subsequently adjusted to fair value. Any fair value adjustments are treated as unrealised gains/losses in the statement of financial performance.

Distributions are recognised as they are received.

Grants & Distributions

Grants are included in the Statement of Financial Performance when approved by Trustees.

Donations Received

Donations are recognised on a cash receipts basis, with the exception of the monthly donations from Genesis Energy customer accounts. This is accrued at year end.

Sponsorship Received

Sponsorship funding is recognised on an accruals basis as per sponsorship agreements.

Goods and Services Tax

All revenue and expense transactions are recorded net of GST. Where applicable, all assets and liabilities have been stated net of GST with the exception of receivables and payables which are stated inclusive of GST.

For the Year Ended 30 June 2013

Foreign Currencies

Foreign currency transactions are recorded at the exchange rates in effect at the date of the transaction.

Financial Instruments

All financial instruments are recognised in the Statement of Financial Position. The Trust has not entered into any off-balance sheet instruments. The fair value of the financial instruments represents the carrying value of these items as recorded in the financial statements. The maximum exposure to credit risk is represented by the carrying value of each financial asset in the Statement of Financial Position.
